The Balkan Forum

Independent Auditor’s Report and Individual Financial Statements
for the year ended December 31, 2020
INDEPENDENT AUDITOR’S REPORT

To the Management of The Balkan Forum

Opinion
We have audited the accompanying financial statements of The Balkan Forum, which comprise the statement of financial position as at December 31, 2020 and the statement of profit or loss, statement of changes in fund balances and statement of cash flow for the year then ended, and other explanatory notes.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of The Balkan Forum as of December 31, 2020, results of its operation and the cash flow for the year then ended in conformity with international standards on financial reporting.

Basis for Opinion
We conducted our audit in accordance with International Standards on Auditing (ISAs). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Project financial report section of our report. We are independent of the Business in accordance with International Ethics Standards Board for Accountants Code of Ethics for Professional Accountants (IESBA Code), and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of Management and those charged with Governance for the financial statements
Management is responsible for the preparation and fair presentation of these financial statements in accordance with the International Financial Reporting Standard and the internal controls that the management deems necessary to enable the preparation of financial statements without material misstatement due to fraud or error.

For the financial statements preparation, management is responsible for assessing the organization's ability to sustainability in the future, disclosing, as necessary, future sustainability issues and using the accounting continuity principle unless management intends to liquidate the Organization or Interrupt the operation, or there is no other possible alternative than to do it.

Those charged with governance are responsible for overseeing the Organization's financial reporting process.

Auditor’s Responsibilities for the Audit of the financial statements
Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor’s report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in
total, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Organization’s internal control.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

- Conclude on the appropriateness of management’s use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Organization’s ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor’s report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor’s report. However, future events or conditions may cause the Organization to cease to continue as a going concern.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
